Did you have a garden plot with this community garden last year? Yes _____ No _____

If yes, do you want the same plot this year? Yes _____ NO _____

If no, what area of the garden do you want to be in? _____

The plot fee must be paid before the plot can be assigned. This fee will go toward expenses of the community garden.

Plots sized 12' x 20' are \$25.00

Plots sized 12' x 18' are \$22.50

A clean-up deposit of \$10.00 is required before the plot can be assigned. The clean-up deposit will be returned in the fall after you have removed all of your plants and cleaned your plot or it may be carried forward to the next year should you choose to continue.

I qualify for a rent-free low-income plot. YES _____

Low-income gardeners can receive one rent free plot per gardening season in exchange for volunteering 2 hours of garden work defined by the plot manager. Qualifications for low income are in accordance with current HHS poverty guidelines.

Garden participants will be assigned to committees. Please mark two committees that you would be interested in volunteering time during the growing season. Mark your top choice with "1" and your second choice with "2".
